Figure 23

A diagram of a circular structure, possibly a cell or a microorganism, with a thick, textured outer boundary. Inside the circle, there are three small, dark, rounded structures, each with a cross-like pattern on its surface. Arrows point from the label 'b1b' to each of these three structures. The word 'esophagus' is written in the center of the circle, with a line pointing to the left side of the boundary.
